Consulting Services for End of Project Survey in Punjab

Land Records Management and Information Systems is a project funded by World Bank and being implemented by Government of the Punjab for computerization of land records with the objective to improve and modernize the system of maintenance of land revenue records and provide land record related services to the public in a more efficient way than they are currently provided. For this purpose, Arazi Record Centers have been established at tehsil level all over Punjab through which computerized land record are provided to the public.

End of Project survey will collect important information to assess the effectiveness, outcomes and impact of the LRMIS Project services on the population of the Punjab in general and different stakeholders in particular. The expected completion period of assignment shall be about 4 months.

The Project Management Unit – Board of Revenue now invites eligible consulting firms to indicate their interest in providing consultancy services for this study. Interested firms must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar assignments, availability of appropriate skills among staff, etc.).

A firm will be selected in accordance with the procedures set out in the World Bank's [*Guidelines: Selection and Employment of Consultants by World Bank Borrowers, January 2011*](#) according to Quality and Cost based Selection (QCBS).

Terms of Reference for the consultancy and the list of documents to be attached with the EOI can be obtained from our web site or the address given below.

Expressions of Interest must be delivered at the address given below within 15 days of the publication of this advertisement. PMU-Board of Revenue reserves the right to reject all the proposals prior to acceptance of a proposal.
