SUBJECT: CONVERSION OF AGRICULTURAL LAND FOR NON-AGRICULTURAL PURPOSES CHARGING OF CONDONATION FEE.

MR. ABDUR RASHID KHAN, MEMBER(COLONIES), BOARD OF REVENUE, PUNJAB, LAHORE.

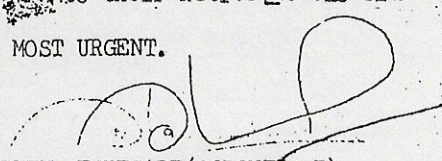

MEMORANDUM.

Reference this office circulars memo. No. 4840-88-VI/2804-CS, dated 27th April, 1989 and memo. No. 11-98/Auditor(Colonies), dated 22nd Jan, 1998, on the above subject.

2. It has come to the notice of the Board of Revenue that policy instructions on the above subject are not being implemented and complaints are pouring in that agricultural lands are being converted into other purposes without payment of condonation fee to the Government. Sub Registrars are registering the documents and Revenue Officers are sanctioning the mutations without the payment of the condonation fee.

3. It is requested to carry out a survey by responsible officers ascertaining how many sites have been converted from agricultural to residential/commercial without the payment of condonation fee and also assess the condonation fee in those cases as per policy instruction dated 27.4.1989 and submit the same to the Board of Revenue.

4. It is also requested to fix responsibility and send the names of the Sub-Registrars and Revenue Officer/Officials within a month who have registered the documents and sanctioned the mutations against the policy instructions. All sub Registrars and Revenue Officers/Officials may be directed to be vigilant in future and report immediately to your office or about every conversion as and when it comes to their notice at the end of every Girdawari. THIS MAY BE TREATED AS MOST URGENT.

DEPUTY SECRETARY (COLONIES-I).
