Subject: **LEGAL ASSISTANCE IN COURT CASES**

Project Management Unit, Land Record Management & Information System (LRMIS) Board of Revenue, Punjab is aiming to provide services of issuance of Fard and attestation of Mutations by establishing the Service Centers at tehsil level throughout Punjab.

2. It has been reported by field establishments that a number of suits have been filed in the Civil and Revenue Courts by the parties wherein some appellants have included names of Services Center Incharges and Service Centers Officials as respondents/defendants. It is pertinent to mention here that LRMIS staff has been recruited on the basis of I.T domain knowledge and is not trained for the litigation purposes, which may lead to improper defence on behalf of Government of the Punjab.
