To

Subject:- Refund of auction price and advance deposit, in respect
of resumed Lands.

Sir,

I am directed to state that instances have come to the notice of the Punjab Land Commission where refund of advance deposit/ auction price of resumed land has been made twice in respect of a single lot. To obviate the double payments, it has been decided that in future no refund shall be allocated unless a certificate from the Deputy Land Commissioner concerned is received through the Land Commissioner to the effect that no refund for the lot in question has previously been allocated and paid. I am, therefore, to request you that in future each proposal for refund should invariably contain the requisite certificate.
