result of decision of alienations made by them during  
1.3.67 to 20-12-71.

Memorandum.

Sardar Mahmood Khan Leghari son of Nawab Mohammad

Jamal Khan Leghari and others his family members opted to  
surrender areas as per entries of their declaration forms  
LR-II which were resumed vide my predecessor's order dated  
28.11.72 Under the instructions contained in Punjab Land commis-  
sion letter No. ASR-III-1139-72/6071-LC(II) dated 5th November,  
1972. The resumed area was allotted to eligible persons under  
para 18 of M.L.R. 115 of 1972.

The cases of the declarants regarding transactions  
made by them during the period 1.3.67 to 20.12.71 have since  
been finally decided by the chief Land Commissioner, Punjab,  
Lahore vide his order dated 5.12.73. The declarants have  
furnished fresh choice of the area to be retained and surrendered  
by them. In the fresh choice they have desired to retain some  
area out of the land already resumed from them. The instructions  
already on record are not clear. It is, therefore, requested  
that it may kindly be clarified whether the declarants can now  
retain the area already surrendered and resumed from them by  
exercising fresh choice or not.
