No. 4895-2010/3334 -CLI.
Board of Revenue, Punjab,
Lahore, dated the 11-12-2010.

To

All the District Officers (Revenue),
in the Punjab.

Subject: RE-SALE OF PLOTS IN PRIVATE HOUSING COLONIES.

Memorandum:

Kindly refer to the above subject.

2. Complaints have been received in this office that private persons purchased plots from developers in different towns and the local revenue administration has put a ban on re-sale of these plots. This is quite contrary to the Government policy and directions.

3. The competent authority put a ban on registration and mutation of residential or commercial plots in un-approved housing colonies. Subsequently, it was decided that the first sale by the developers shall not be allowed till the housing colony is approved, but if, the developers has already sold the plots, then the private individual can further sell these plots and there shall be no restriction on second transfer through registration or mutation etc.

4. You are, therefore, directed that ban on re-sale by individual who purchased plots from the developers is against the law and policy and same must be withdrawn immediately.
